English Content Writer Internship

Description

We are seeking a sharp and eager-to-learn writer with a specialization in content writing. A candidate who is able to write LONG-FORM content quickly would be ideal for this job+. You need to be both creative, structured, and detailed oriented. You'll learn to blend great content writing, technical SEO, and amplification. We are seeking talented writers (ENGLISH) to contribute mostly long-form content for blogs, guides, ebooks, and guest posts.

Responsibilities

KEY RESPONSIBILITIES:

- Writing in English. Fast+ Longform + High Quality Content.
- Write long-form write-ups on interesting subjects
- Research while writing
- Proofread everything that they create.
- Edit guest posts for tone, relevance, structure, and SEO.
- Work hand in hand with the team leader to create blog posts for our company and clients if any.
- Give input and strategy on articles and work.

WHAT ARE WE LOOKING FOR?

- Eagerness to learn
- You love to write about everything
- Strong communication, editing, and writing skills
- Understanding of article structure and writing
- Organizational skills and eagerness to work on multiple projects at once
- Strong writing skills, attention to detail, and creativity
- Deadline-driven mentality
- Ability to work independently, as well as in a collaborative team environment
- Intellectual curiosity and a willingness to learn about new industries
- Exhibits personal initiative and independence

*Fluency and high-quality writer in English

EXTRA POINTS (but not required) IF YOU HAVE THE FOLLOWING:

- Experience with WordPress, or other CMS platforms
- Experience with writing blog content
- Experience with landing page copywriting
- Experience with editing and proofreading
- Familiarity with basic SEO principles
- Experience with topic research and long-form writing
